2-120-825 Permits For Demolition Of Landmarks – City Council Approval Required.

(a) Notwithstanding any other provision of this ordinance to the contrary, except as provided in subsection (c), in the case of any permit application for the demolition of 40% or more of any building or other structure designated as a "Chicago Landmark" or located in any district designated as a "Chicago Landmark", the commission's decision approving an application issued under Section 2-120-770, Section 2-120-790 or Section 2-120-800 shall be subject to review by the city council. Upon issuing its decision approving an application, the commission shall forward a recommendation for the approval of the permit application, in writing, to the committee on historical landmark preservation of the city council. Within 75 days after the receipt of the commission's recommendation, the committee on historical landmark preservation shall consider the commission's recommendation and vote to recommend that the city council accept or reject the commission's recommendation. At the next regular meeting of the city council following the committee's vote, unless the matter is deferred and published in accordance with state law, the city council shall, by passage of an appropriate order, accept or reject the commission's recommendation. If the matter is deferred and published, the city council shall, by passage of an appropriate order, accept or reject the commission's recommendation at the next regular meeting of the city council following the meeting at which the matter was deferred and published. If the city council does not accept or reject the commission's recommendation within the time specified herein, the commission's recommendation shall be deemed to be accepted. The city council's decision shall be based on whether the proposed demolition will adversely affect any significant historical or architectural feature of the improvement or the district, and is in accord with the Standards for Rehabilitation set forth by the United States Secretary of the Interior at 36 C.F.R. 67, as amended from time to time, as well as the criteria to review demolitions as set forth in the Rules and Regulations of the commission.

(b) For purposes of this section, 40% or more of a building or structure shall mean 40% or more of the significant historical or architectural features identified in the ordinance designating the building or structure or the district in which the building or structure is located a "Chicago Landmark"; provided that, if no

significant features were identified in the designation ordinance; the entire building or structure shall be deemed a significant feature for purposes of this section.

(c) This section shall not apply to permit applications for the demolition of: (i) any building or structure that is necessary to remedy conditions imminently dangerous to life, health or property, as determined in writing by the department of buildings, the board of health or the fire department; or (ii) auxiliary buildings or structures such as garages. Within 30 days of the commission's decision approving a permit application for a building or structure pursuant to subsection (c)(i) of this section, the commission shall forward to the committee on historical landmark preservation of the city council a written report informing the committee of the commission's decision and stating the reasons for its decision.

2-120-810 Application For Permit-Final Commission Decision.

Unless the decision is subject to city council review under Section 2-120-825, the [The] written decision of the commission approving or disapproving an application for a permit under Section 2-120-800 shall be on the date it issues a final administrative decision appealable to the Circuit Court of Cook County under the provisions of the Illinois Administrative Review Act, Illinois Revised Statutes, Chapter 110, Section 3-1001, et seq.

Upon final notification from the commission or the city council of a [its] decision to deny an application for a permit to construct, reconstruct, alter, add to, demolish or relocate property given a preliminary recommendation for landmark status or designated as a "Chicago Landmark," the applicant may within 30 days apply to the commission for an economic hardship exception on the basis that denial of a permit will result in the loss of all reasonable and beneficial use or return from the property. The commission shall develop regulations that describe factors, evidence and testimony that will be considered by the commission in making its determination.

SECTION 2. This ordinance shall be in full force and effect from and after its passage and publication.

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, do hereby express our sympathy to the family of James Todd; may you always rely on Him who will heal all sorrow:

I'M FREE

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found the peace at the close of the day.
If my parting has left a void,
A friendship shared, a laugh, a kiss,
Ah, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I've savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all to brief,
Don't lengthen it now with undue grief.
Lift up your hearts and share with me,
God wanted me now, He set me free.

Be It Further Resolved, That a copy of this resolution be presented to his wife,
Sheila Griffin.

Poets have spoken of somber skies

And many a starry night,

Behind it all there is a God

Who ever rules aright.

When dark your day seems to be

The like of which you can't bear,

Repair to some quiet place

You'll find the Master there.

No matter what your problems are

Of them all, He is aware,

You may ever seek our Lord

You'll find Him there.

Be It Further Resolved, That a copy of this resolution be presented to his wife, Mahalia Williams.
